## Team Junglesauce

### 3 Comments

- iterator was not explained → confusing
  - comments explain methods but not their insides → not full clarity!
- 

### 4 Style

- white space
  - clean organization
- 

### 3.5 Robustness

- Reuses some old code
  - Could reuse more
  - Code seems to be concise
- 

### 4 README.md

- clearly explains as to why doubly-linked node is used as underlying container
- easily readable
- well sectioned
