Team Reviewed: Jungle Juice

## 2 Comments

- Half of the methods, don't have comments
- some methods well-explained

## 3 style

- no heading
- Names do not match w/ the API. (very confused)
- No use of iterator and diterator

## 3 Robustness

- No exception handling

## 2 README

- not well-explained; could use more words
- no rationale for which methods chosen good
  - clarity is lacking
